

USED CAR IN YOUR FUTURE?

Don't forget the CARFAX Report!

Buy with confidence

CARFAX® Vehicle History Reports™ help you make more informed decisions about used cars, providing information on:

- Salvage or Flood History
- Other Total Loss Events
- Frame Damage
- Accidents Reported to CARFAX
- Mileage Accuracy
- Number of Owners
- Lemon/Manufacturer Buybacks
- Recalls/Major Repairs
- Safety & Reliability

Information you can trust

CARFAX maintains the nation's largest, most comprehensive vehicle history database with information from more than 20,000 sources.

Millions of consumers and more than 26,000 dealers rely on CARFAX Reports. The reports are also the #1 vehicle history resource for auto lenders, insurance companies, auctions, law enforcement, investigative reporters and government agencies across the United States.
