

# Community Outreach

We are out in the community serving our members and member companies. We are proud to volunteer, make donations, and sponsor events throughout the areas that we serve!

We are honored to partner with many organizations within our community who have laid the groundwork to do good. Here are some of the organizations we work with to achieve this:

**We have donated over 7,000 meals to the local community this year.**

**We have supported over 90 organizations throughout 2022.**

**So far in 2023, we have volunteered 491 hours.**

## We're built on:

*Fairness*

*Integrity*

*Honesty*
